March 8, 2021

Hello friends & family,

As you all know this past year has been quite a challenge for each of us in one way or another. We and other non-profits are no exception. Due to the pandemic we were not able to hold either of our annual fundraisers and we may not be able to hold them this year. Our spaghetti dinner/civil war days and car show. Due to your support in the past, (THANK YOU), and hopefully your support now, we will be able to keep our community center open and available to you and the community for various events/gatherings when restrictions are lifted. Our building has been the home of countless events over the last 98 years. Such as weddings, birthdays, funerals, business meetings, school programs, fundraisers, fire and community interest meetings, dances, pumpkin rolls, car shows & spaghetti dinners. The things in this life that really matter. If the pandemic has taught us one thing it's that we can't take life for granted. It can change at any moment so we need to get together and enjoy each other. We would like to continue to be here for you but we will need your help to do it.

I am sure all of you have been to at least one of our club events thru the years and have a good memory or two of that day. Walking down the street with your friends during the car show or civil war days. Bringing up your family to roll a pumpkin or visit with old friends. How nice will it be to gather and enjoy each other's company again. Hopefully soon. We are asking each of you to invest in our future so we can continue to stay open and be part of your future. Every community needs a heart and I would say in Knights Ferry that is us. It's been challenging paying our monthly bills and annual insurance premium (\$3,300.00) with no income from events or fundraisers. Luckily when this all started we were in pretty good shape financially. But as you know it's been almost a year and our bank account is getting pretty low, and our monthly bills keep coming in.

As this year begins still uncertain, we could **really use your help now** to get us thru the next 6 months. Our goal is to raise \$10,000.00. Please consider a gift of \$10, \$20 or \$100 or more to reach our goal. Remember, your gift is tax deductible. Whatever you can give will be greatly appreciated. Together we can continue to operate and be here for you and your families and friends to come together to enjoy life and create memories. Again, thank you for all your past support!

Sincerely,

Chris Peterson

President, KFCC
